This document does not constitute an offer of services in jurisdictions where Knowledge Leaders Capital, LLC ("Knowledge Leaders Capital" or the "Advisor") is not authorized to conduct business. All information provided herein by Knowledge Leaders Capital is impersonal and not tailored to the needs of any person, entity or group of persons. Past performance of an index is not a guarantee of future results. It is not possible to invest directly in an index. Exposure to an asset class represented by an index is available through investable instruments based on that index. Knowledge Leaders Capital makes no assurance that investment products based on the index will accurately track index performance or provide positive investment returns. A decision to invest in any such investment fund or other investment vehicle should not be made in reliance on any of the statements set forth in this document. Prospective investors are advised to make an investment in any such fund or other vehicle only after carefully considering the risks associated with investing in such funds, as detailed in an offering memorandum or similar document that is prepared by or on behalf of the issuer of the investment fund or other vehicle. Inclusion of a security within an index is not a recommendation by Knowledge Leaders Capital to buy, sell or hold such a security, nor is it considered to be investment advice. Closing prices for the Knowledge Leaders Indexes are calculated by Solactive AG based on the closing price of the individual constituents of the index as set by their primary exchange.

These materials have been prepared solely for informational purposes based upon information generally available to the public from sources believed to be reliable. No content contained in these materials (including index data, ratings, credit-related analyses and data, model, software or other application or output therefrom) or any part thereof ("Content") may be modified, reverse-engineered, reproduced or distributed in any form by any means, or stored in a database or retrieval system, without the prior written permission of Knowledge Leaders Capital. The Content shall not be used for any unlawful or unauthorized purposes. Knowledge Leaders Capital and its third-party data providers and licensors do not guarantee the accuracy, completeness, timeliness or availability of the Content. Knowledge Leaders Capital is not responsible for any errors or omissions, regardless of the cause, for the results obtained from the use of the Content. The Content is provided on an "as is" basis.

The Indexes are calculated and published by Solactive AG. Solactive AG uses its best efforts to ensure that the Indexes are calculated correctly. Irrespective of its obligations towards Knowledge Leaders Capital, Solactive AG has no obligation to point out errors in the Indexes to third parties including but not limited to investors and/or financial intermediaries of the financial instrument. Neither publication of the Indexes by Solactive AG nor the licensing of the Indexes or Indexes trademark for the purpose of use in connection with the financial instrument constitutes a recommendation by Solactive AG to invest capital in said financial instrument nor does it in any way represent an assurance or opinion of Solactive AG with regard to any investment in any financial instrument.
